	<ul style="list-style-type: none"> • Closures and Political issues: Up staff for the eclipse. Team was given an IA zone, which includes the TFR and area for the BT and the Rowlands dispatch center. FS closures is still in place but did down size for the hunting season. • Major Safety Concerns / Injuries / Accidents: Long travel times, snags and unburned area still threats. • 1 T1 and 1 T2IA crews for long term planning. Will be ordering resources in planning to have the fire staffed for the next 21 days or so. Ordered the T3 WY team. Will coming in on Wednesday and will shadow that day. Close out for T2 IMT on Friday-ish. • NO Accidents or injuries: • Resources to release: Some misc overhead as the fire continues to “right size”.
2 Fire: Six Mile	<ul style="list-style-type: none"> • 15 miles SE of Reno near Virginia City • 185 acres / 70% /
3 Fire: Highline IC: NIMO Joe Reinarz	<ul style="list-style-type: none"> • 18393 / 0% / 54 / \$509,250 • Significant changes since the last 209: New acre size. • BRIEF fire synopsis /Critical Incident Information: Fire is beginning to move around in all directions on the southern 2/3 of the fire. It has crossed the MAP on the southern end of the fire (south of Chamberlain Guard Station), discussions have begun concerning the expansion of the closure area to the south. It is approaching an additional MAP to the south which will initiate protection actions for the private inholdings to the southeast (Root Ranch), discussions with County are in the process for the cost share agreement. Movement to the east at mid fire will initiate the wrapping of a Lookout cabin in the future (Arctic). Protection actions on the southern end of the fire are 97% of the completed, (Chamberlain and Stonebraker). A strategic plan is being developed and implemented within the planning area. Placed the IHC to support structure evaluation and wrapping structures if needed.
